The Church Wardens

Thank You and Appreciation

Grace and peace from our Lord Jesus Christ be with you. This letter serves to thank and appreciate all your support and prayers.

We as the Sebowane Family would like to send our appreciation to the parish of *St. Francis of Assisi* for their kindness, prayers, and patience and for accommodating us even after the departure of our loving father and husband. During this time of difficulty and frustration *St. Francis of Assisi* has done nothing but help and support us and that is something that the Sebowane Family will always be grateful for. We would also like to send our love and thanks to the Mothers Union of the church who always took the initiative to make sure that the three boys who stayed here without a guardian could always get a delicious well cooked meal every two days. With our appreciation and gratitude, we kindly inform you that we will be leaving the rectory from the 1st of September 2020 to start this new journey that God has sent out for us.

Yours sincerely

Caroline Sebowane
